Steve – He had a few questions, so he reached out to Rusty Parnell, owner of Parco Tax & Services, who was on the Council and had been Treasurer in the past. He appreciates his help. This is going to be a “get by year”.

Tyler – That was smart getting Rusty involved. Bessie agreed. Tyler thanked Rusty.

Rusty – We had to add a Sales Tax Road fund to represent the Sales Tax Road bank account. As well as add Revenue and Capital Outlay on Streets and Alley’s. He asked the Council if they had any questions for him.

Jerry – How come you budgeted the Sales Tax Revenue so high?

Bessie – Don’t we need to put in at least a year’s worth of Salary under Animal Control at \$500/month?

Jerry – We had a pending Torte Claim for the Cemetery. I don’t know if that has been budgeted or not.

Rusty – Asked if there were any more questions. He offered the Council a copy of the budget with the few updates he mentioned.

Tyler – Fire Department dispatch should be Free. Why are we being charged?

7. Discussion and Possible Action on designating Animal Control as an essential position.

Bessie – She has been getting a lot of calls from citizens about foxes and animals under their houses. She cannot legally do anything because she is not Animal Control. Jerry – It’s the people’s responsibility to take care of their animals.

Discussed. No Action.
