Kenneth – Doesn't think there is enough budgeted for Animal Control

Steve – We can always make amendments

Bessie – What ever happened to the motion that was made to put electric at the Dog Pound?

Steve – Couldn't tell you without looking into it.

There were several questions regarding the section on the Resolutions stating that the mayor had the authority to make amendments between items under the same fund. Abigail let the council know that this did not allow the mayor to transfer money without council approval only the ability to transfer between budget line items under the same fund. If any budget amendments needed to be made between funds we would need council approval.
